4 inches X 8 inches  
\$50

Your choice of three lines of 12 characters each including spaces:

### **Personalized Pavers**

Become a part of the Cincinnati Firefighters Memorial Park by adding your own personal message to the walkway around the Memorial. The Cincinnati Firefighters Memorial Park Paver is an exciting way to contribute to the building of the Memorial and to add your message as a permanent part of the Memorial.

Pavers may be purchased online at [www.cincinnati-firefighters-memorial-park.com](http://www.cincinnati-firefighters-memorial-park.com)  
The purchase will support the project and is tax deductible.

Etched in stone— your family name, honor a firefighter, your company name or any appropriate message for future generations.

To date, 82 Cincinnati Firefighters have responded to the alarm that was their last call, most recently Firefighter Oscar Armstrong in 2003. The selfless act to help others in their time of need is what makes the fire service such a noble profession. The call to serve and help those in need is not for fanfare, reward or recognition, but because it is an honor and privilege to do so in the fire service. Many times those selfless acts have gone unnoticed and it is without complaint from the firefighter whose humility enables them to remain devoted to his or her duty.

On September 11, 2001 the stark reality of so many firefighters, EMS, and First Responders who by giving of themselves in order to answer the call to the alarm, brought to light a national awareness of what the men and women in the fire service risk day in and day out. **Cincinnati Firefighters Memorial Park** is an opportunity to pay honor to those who have fallen in the line of duty responding to the alarm. It will honor those who have served as Cincinnati Firefighters and firefighters all over the region of Southwest Ohio, Northern Kentucky, in the United States and internationally as well, because it is a kinship that all who serve share as brothers and sisters.

**Cincinnati Firefighters Memorial Park** began as the dream of a few who envisioned a place to honor those who have fallen in the line of duty. That dream moves closer and closer to becoming a reality with the partnership and support of respected professionals in the fields of design, architecture and construction. Greater Cincinnati Firefighters Memorial, Inc. is grateful to have Turner Construction Co. and Baker Concrete Construction that will bring the GBBN architects designed **Cincinnati Firefighters Memorial Park** to a realization, but not without further help from generous benefactors like you. Your support and contributions in kind made to Greater Cincinnati Firefighters Memorial, Inc. will assist in the procurement of the “bricks and mortar” that will bring it all together to erect a memorial park that honors those who have sacrificed to serve others.

We ask your assistance in honoring and recognizing the men and women of the fire service who have given the most in the line of duty. Your donation to the **Cincinnati Firefighters Memorial Park** will be for the past, present, and future. This is an opportunity for a public-use green space and a memorial park that will be seen as a fitting benefit to all, who will be welcome to visit and pay their respects.

Please accept our invitation to visit the **Cincinnati Firefighters Memorial Park** website at [www.cincinnati-firefighters-memorial-park.com](http://www.cincinnati-firefighters-memorial-park.com)

There you will see the vision as it unfolds to reality. Become an individual or corporate sponsor by purchasing commemorative bricks and pavers that will be used to build the park. Other forms of donation are acceptable as well. No useful resource will go unappreciated, whether it is building materials such as the “bricks and mortar” needed or some form of sweat equity that will make this project one that the entire community can get behind and support.

Your attention to this matter is greatly appreciated.

Kind and Sincere Regards,

Firefighter Scott Schenkel, *President*
